2 EXPORTS DURING THE FIRST SIX MONTHS OF 2016

During the first six months of 2016, the exports of goods from Cordoba reached 4,373 million dollars. This figure represented 15% of Argentine exports in this period (**Figure1**). Even though this value meant a fall of 0.36%, with regard to the same period, last year (**Chart1**), the volume of exports increased 22.3% (**Chart2**).

Figure 1. Exports: First six months of 2016

The major export destinations of the province were China, Brazil and Vietnam (**Figure2**.)

The 48% of exports were agricultural manufactured products, followed by primary products (38%) and industrial manufactured products (14%)(**Chart1**.)

The exports of primary products from Cordoba were concentrated in China. The 29% of these items were destined for this country(**Figure5**.) The agricultural manufactured products were destined for Vietnam and India (15% and 9% respectively)(**Figure7**.) Moreover, the exports of industrial manufactured products were mainly destined for Brazil (55%), followed by The United States (12%)(**Figure9**.)
